Welcome to 2011
Welcome to all the parents, students and staff of the St. Peter’s College community to the 2011 School Year. In particular I extend a warm welcome to those students and families who represent the historic first intake of pioneers for our Campus in Cranbourne East.

The spirit of “Be Not Afraid” was very much in evidence as all of our new year 7 students met their classmate, teachers and managed to find their way around the college over the first few days of school.

It is the beginning of what we hope will be a rewarding partnership over the next six years between home and school. Our aim is to challenge these students to be the best they can be, equip them with the knowledge and skills to thrive in the modern world and to both recognise, understand and respect the sacredness of human dignity that is God’s gift to us all.

Welcome to our New Canonical Administrator
I also welcome our new Canonical Administrator Fr Denis O’Bryan who has been installed as the Parish Priest of St Agatha’s Cranbourne replacing Fr Wise. Fr Denis comes from Bairnsdale but maybe familiar to some as he was the Parish Priest in Narre Warren in the early 1980’s. I will officially welcome Fr Denis at the Opening School Mass on the 17th of February and look forward to his involvement with the St Peter’s College Community in the years ahead.

VCE Results
Of the 140 students who started their VCE in 2010 it was pleasing to see that 100% satisfactorily completed their VCE Certificate. I am also pleased to announce Zoran Dukanovic as the Dux of the college with an ATAR entrance score of 95.7. Overall the average median study score for St. Peter’s was 29, a significant increase on 2009 and both students and staff should be congratulated on the efforts applied to achieve these results. Of the 94 students who applied for University or TAFE, 87 received first round offers which is a fitting reward for their hard work.

Local Hero
Congratulations to Year 8 student Nathan Martens who was hailed a hero by the local Cranbourne Fire Brigade over the summer holidays. Nathan alerted the fire brigade to the smell of smoke coming from a house he was riding past. His swift and community minded action saved the owners house from being burnt down. Well done Nathan.

Prayers
Over the holiday period, our community experienced great sadness in the loss of former teacher Dayna O’Brien. Dayna taught for 3 years at St. Peter’s before moving to Cairns in 2007. Unfortunately over the last 18 months Dayna developed cancer and died on the 22nd of January 2011. She was a very passionate teacher and well remembered by staff and students. We extend our prayers and sympathies to the O’Brien family as we do to Mrs Elizabeth Hanney and Mr Chris O’Hara who both lost their fathers over the holiday period.

Year 12 Retreats
The year 12 retreat will take place this week and will provide some time away for our students to reflect on their journey – where they have come from and where they are going to. In a year where important decisions are made and directions set, it is appropriate to give them time to discuss and consider what gives them purpose and meaning in their lives. When they leave school opportunities like this are all too rare so I encourage them to make the most of this time set aside for quietness and reflection. I also wish to thank Mrs Mary Murphy, Deacon Tony and the staff who are busily preparing the activities and sessions for the two days away.
Applications are now being taken for Year 7 2012 at both the Cranbourne West and Cranbourne East campus. Application forms are available from the College Office.

Enrolments close Friday 11 March. Please contact our Registrar Kelley Cooper for more information.

CRANBOURNE EAST NEWS

Last Thursday, 3rd of February, the historical moment of the first classes for the students of the Cranbourne East Campus commenced. Along with 4 staff, these 40 pioneers have embarked on a journey that will be exciting, rewarding, challenging at times and a learning experience that will stay with them for life. This journey will assist them with their growth in becoming strong, caring individuals who are committed to embracing the humanity of Jesus and St Peter.

First term for Yr 7 has a number of key dates that parents and students need to be aware of; these are listed below:

- Yr 7 Information Evening - 14th February
- Opening Mass – 17th February
- Swimming Carnival – 24th February
- Yr 7 Camp – 9th March to 11th March
- Parent/Teacher Interviews – 7th April and 8th April

The first event is the Yr 7 Information Evening which is on next Monday night at 7.30pm in the Hall.

The construction of the East Campus is continuing well. The builders returned early after Christmas and have had a very productive January. Work on the Discovery Centre is nearing the lock up stage with glass having been installed; the roof is also now complete and external cladding is nearing completion. Work on the two-story Science/Technology Building that will include 6 general classrooms (including one with wet facilities), 2 Science Laboratories and a Food Technology Room is progressing well. The floors on the ground and first floors have been completed as well as the installation of all structural steel. Work has commenced on the roof with the builders working hard to get the building to lock up stage before the autumn rains arrive.

SCHOOL PROCEDURES FOR THE BUSHFIRE SEASON

Term 1 invariably brings with it periods of extreme temperature and possible fire risk. Schools identified as being at high fire risk will be closed on days declared by fire authorities to be Code Red. ST Peter's is not identified as being at high fire risk, therefore we will not automatically be closed on a Code Red Day.

We are well positioned to respond to all emergencies – including an unpredicted breakout of fire or a known fire unexpectedly changing course. When this occurs, our school emergency management plan will ensure that we respond to the threat in a timely and appropriate manner.

While our school has not been identified as being at high fire risk, we do plan off site activities during the fire season. This may affect the Yr 12 Retreat and Yr 7 camp in Term 1. Weather conditions will be monitored closely in the lead up to these events and should a Code Red (Catastrophic) be declared for the region that the camp/retreat is conducted in then the activity will be either cancelled or rescheduled. Decisions such as these will be communicated via the school newsletter, SMS text message and the College website: www.stpeters.vic.edu.au

What can parents do?

- Make sure we have your current contact details, including your mobile phone numbers
- Keep in touch by reading our newsletters and checking our website
- For up-to-date information on this year’s fire season visit the CFA website at www.cfa.vic.gov.au or call the 24 hour Victorian Bushfires Information Line on 1800 240 667

Deputy Principal

Important Notice

We would like to ask the cooperation of parents in an important manner.

One of our St Peter’s students is receiving vital medical treatment with drugs which lower resistance to infection. This treatment puts them at serious risk if they develop chicken pox, measles, mumps or shingles.

We ask that parents inform the school IMMEDIATELY if their own child develops any of these viral infections. This will ensure that the student concerned is not exposed to the virus.

Your support is appreciated.
I would like to extend a warm welcome all students to St. Peter's College for the 2011 school year, especially those who are new to the College.

Being the start of the year, this is an ideal time to revisit our standards as a College Community. With regards to classroom behaviour and organisation, students are asked to form early work habits and get into the routine of planning to complete set tasks on time. These habits that develop early can set the tone for the year with regards to study, behaviour and wearing of the College uniform.

Our College has four fundamental rights which are coupled with four corresponding responsibilities. These rights and responsibilities are based on the Gospel Value of Human Dignity. In the first week of homeroom, these rights and responsibilities were discussed and students have been asked to sign a Statement of Commitment to these. I would encourage families to discuss these Rights and Responsibilities at home with students over the next week, to reinforce their importance (They can be found on pages 7 and 8 of the Student Record Book).

The four Rights and Responsibilities are outlined below:

<table>
<thead>
<tr>
<th>RIGHTS</th>
<th>RESPONSIBILITIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>To be treated with Dignity and Respect</td>
<td>To treat others with Dignity and Respect</td>
</tr>
<tr>
<td>To feel safe</td>
<td>To behave in a manner which will protect and promote the safety of others</td>
</tr>
<tr>
<td>To learn</td>
<td>To contribute to effective learning of others through positive and cooperative behaviour</td>
</tr>
<tr>
<td>To benefit from the reputation of the College</td>
<td>To promote and uphold the good name of the College</td>
</tr>
</tbody>
</table>

**UNIFORM**

All families and students should be aware that St. Peter’s has a Zero Tolerance Policy with regards to uniform. This means that certain standards are set and if a student fails to meet these standards, they are then either placed in isolation (Years 7 to 10) and/ or given the option going home (Years 11 and 12), until the standards are met. If this does happen, parents will receive a phone call to notify them of the situation at the earliest possible time.

At this stage, I would like to focus on a few of these standards:

- **Facial Piercings.** Facial piercings (e.g., nose, lip or ear) are not permitted. This includes clear piercings of the above. Students who present with these piercings at school are given the choice of removing the item or having the Zero Tolerance Regulations applied. Please note that it is not an excuse for students to say they have just had the piercing done and it needs to stay in for a period of time to prevent it from closing over.

- **Hair styles**—as indicated in the last newsletter for 2010, girls will be required to have their hair tied back if it is shoulder length or below.

- **Sports Uniform**—the College has a new polo top that must be worn when the students are in PE/Sports uniform. This can be purchased from the uniform shop.

Your cooperation with regards to the above is most appreciated. St Peter’s has a high standing in the Cranbourne Community and keeping to the above mentioned standards will help maintain our reputation. If you have any questions regarding the above, please contact your child’s Homeroom Teacher or ear Level Coordinator.

**LOCKERS**

Each student in the College has been provided with a combination lock. This must be placed on lockers and locked at all times. This is to protect the property of students.

**LABELLING OF PERSONAL ITEMS**

Wherever possible, students should clearly label their personal belongings, especially clothing and electronic devices (e.g., Calculators).

**UNIFORM SHOP**

The Uniform Shop will be open this Thursday, 10th February between 1 – 5pm.

**Art Department**

Any students who have work to collect from 2010 have until the end of February to collect it. Space constraints make it impossible to retain work after this time. Please contact your art teacher in regards to this.

JAPANESE EXCHANGE STUDENTS – SEEKING HOST FAMILIES

St. Peter’s College will be welcoming 3 Japanese girls from our sister school in Sapporo to participate in an extended exchange! They arrive at the end of March and will stay for 3 months. These students have visited St. Peter’s College in previous years, so you might remember them.

Yumi Takagi (16) Mako Yoshida (17) Isuzu Kato (17)

We are currently looking for families to host these students for part of or all their 3 month stay. It will provide an amazing opportunity for students studying Japanese to practise their Japanese language skills and will also allow the whole family to experience Japanese culture without even leaving your home. The students are here to experience what everyday Australian life is like, so there’s no need to organise anything extra special for them.

If you are interested or would like some more information about what hosting an exchange student involves, please contact Ms Melissa Faulkner by calling the school office or by sending an email to: mfa@stpeters.vic.edu.au
