Blessing of St. Peter’s Sculpture and Garden
On St. Peter’s day the 26th of June, our Bishop Christopher Prowse and Fr. Dennis will bless the new Sculpture and Garden of St. Peter. The sculpture created by Artist Bart Sanciolo captures beautifully the complexity of Peter, the apostle that denied Jesus but loved him the most. I wish to thank our Parents and Friends Association whose generous donation has made this project possible and I warmly invite our parents to the blessing which will take place as part of our St. Peter’s Day Mass beginning at 9.15 am.

Work Experience
Our Year 10 students are in the middle of their work experience program which is designed to give them a taste of the workforce and career choices that they have a specific interest in. The work experience program always provides a new perspective for our students on their future career paths. In some cases ruling out a particular profession and in others providing the motivation to pursue that career on their return to school. It is a valuable program and I thank our Careers Co-ordinator Ms. Melissa Dillon for her planning and organisation over the last few months in preparation for this program and also for our staff who have conducted visits to ensure that students are gaining a broad range of experiences during the two week program.

Strike Over Performance Pay
The Victorian Teachers Union has come out very strongly against the notion of performance pay and its impact on the collegial nature of the teaching profession which relies very heavily on collaborative team work, the sharing of resources and teaching practice in order to identify and develop best practice in the teaching profession. My recent trip to Canada to study the Ontario Education System revealed that one of the key determinants in their success was the high degree of Social Capital that they had developed across their school system. They measure Social Capital as the frequency and focus of conversations with peers that are centered on instruction, and that was based on feelings of trust and closeness between teachers. Schools with a high degree of Social Capital were able to multiply the impact of individual teacher development through collaborative teamwork, sharing of resources and sharing of teaching practice. A performance pay system which focuses on the individual rather than the development of the collective group has not been part of the strategy in Canada because they have understood that you cannot get whole system reform and improvement without peer power.

Exams
Over the last two weeks students from Year 9-11 have completed their Semester 1 exams which will be the focus of school reports at the end of this term. I congratulate our students for the way in which they have applied themselves and developed their exam practise during this examination period. This week we pray for our Year 12 students who will be facing some anxious moments as they complete their exams for their Unit 3 subjects. These exams will carry some weight towards their final year results as well as provide some feedback as to their progress at the half way mark of the year. We wish them well.

Mr. Tim Hogan
PRINCIPAL
From the Deputy Principal of Students

St. Peter’s Day - 26th June
As this will be the last newsletter before St. Peter’s Day, I would like to remind all within the College Community that St. Peter’s Day is fast approaching (26th of June).

This is a special day on the College Calendar, where both the Cranbourne East and Cranbourne West Campuses of the College come together to celebrate the Feast Day of our Patron Saint Peter and recognise our Catholic Ethos.

The SRC have been planning and organising activities for the entire term to ensure the day is successful. Please note the following:

- The day commences with normal Tutor Group at 8.45am, followed by a College Mass in the Multi Purpose Hall, celebrated by the Sale Diocese Bishop, Christopher Prowse. The Mass is a very important part of the day’s celebrations and is therefore compulsory.
- After the Mass, the day will consist of a number of activities; including a bucking bull, gladiator challenge, human fuseball, amazing race, face painting, golf competition, football kicking challenge, food stalls and a talent quest.
- The Parents and Friends Association will kindly provide a free BBQ lunch and can of soft drink for all students on the day.
- The day will conclude with dismissal at 3pm.
- Some of the activities are free, whilst some will cost a small amount of money. Students are advised to bring loose change on the day.
- This year a gold coin donation will be requested from all students to contribute to the Diocese of Sale Cathedral Renovation Project. All other proceeds of the day will contribute to the Bishops Family Fund, administered by Deacon Tony.
- This is a compulsory school day and students should not be arriving late or departing early.
- Students are permitted to wear casual clothing on the day. Please wear sensible, warm clothing and be prepared for cold weather.
- No students, except for current St. Peter’s students are permitted on the premises on the day.

This really is a day of celebration and an opportunity for the whole student and staff community to enjoy each other’s company in a relaxed and friendly atmosphere.

Thank you in anticipation of your support on this day.

Procedures for students arriving late to school and/or departing early for sickness or pre-arranged appointments
- Students are reminded that if arriving late to school (ie: after the morning Tutor Group starting time of 8.45am), they must sign in at student reception. This applies even if they arrive at recess or lunchtime. It is important that the College records are accurate and this will ensure that this can occur.
- Parents please note that if a student is leaving early due to a pre-arranged appointment, they must have written permission in their record book. This should be shown to their House Leader in the morning who will sign the record book. Then at the appropriate time, the student goes to reception to sign out.
- If a student is feeling ill when at school, they must report to sick bay, where the office staff will notify their parents. It is not acceptable for students to be ringing/texting parents directly to tell them to come and pick them up.

Mobile Phones at School
Students are reminded that the College Mobile Phone Policy states that phones are not to be permitted to be used, or in their possession during class time. If a teacher sees a student with a mobile phone during class, it will be confiscated and sent to the Student Reception to be collected at the end of the day. If this occurs again, the phone will not be handed back to the student and must be collected by a parent from reception.

Thank you for your cooperation with these College rules/procedures and policies.

Mr. Anthony Banks
Deputy Principal-Students

YEAR 7 2013 ENROLMENTS
Applications are still being taken for Year 7 2013 at both the Cranbourne West and Cranbourne East campuses.

Contact our Registrar Kelley Cooper on 5990 7777 or kelley@stpeters.vic.edu.au for an enrolment pack.
PARENTS & FRIENDS
Each year the Parents and Friends Association undertakes both fundraising activities and the donation of such funds to various areas of College activity.

ST PETER'S SCULPTURE & GARDEN
You will note in the Principals update, that the St Peter’s Parents & Friends Association contributed a large sum of money towards the cost of the sculpture and gardens. Our commitment to the landscaping of the area will see us launch a NEW FUNDRAISING INITIATIVE FOR Semester 2.

We invite all families to attend the blessing ceremony on Tuesday 26th June.

VOLUNTEERS NEEDED!
June 26th. We are still seeking of Volunteers for St Peters Day Student BBQ. Please register your ability to help now. It would be greatly appreciated. Contact April Hampson on 5990 7777 or ahampson@stpeters.vic.edu.au

The P&F need helpers from 10am – 2pm to set up, organise the food & drinks, cook the BBQ and serve. Please come along, help out your P&F and meet some other parents while watching the students have a great day of fun activities!

FUNDRAISING UPDATE Term 2 OFFICEWORKS CRANBOURNE SAUSAGE SIZZLE FUNDRAISER.
On June 30th St Peters College Cranbourne Officeworks Sausage Sizzle fundraiser. This event is supported by the St Peter’s Student Representative Council, and they will be seeking volunteers from fellow students and Parents & Friends to help man this booth in the coming weeks. Please contact the college via April Hampson on 5990 7777 or ahampson@stpeters.vic.edu.au if you feel you will be able to volunteer some time on the day to help out.

ENTERTAINMENT BOOKS.
Your 2012 Entertainment Book is able to be activated for use from June 1st. For those of you who have not yet purchased your 2012 book you may do so via the College Reception or online via the quick link on the Parents & Friends section. The sooner you purchase your book, the sooner you can take advantage of all the savings! Visit www.stpeters.vic.edu.au to place your order and pay online.

Remember…….They make a great gift idea!

RITCHIES COMMUNITY BENEFITS CARD.
All new parents to the College in 2012 should now have received their Ritchies Community Benefits Card. Please contact the College Reception if you have not or if you need a replacement.

REMEMBER 0.5% of your spend will be donated to St Peter’s College P&F Association for use across numerous activities at both the West and East Campus.

NEXT MEETING
TUESDAY 31st July 7.30-9.00 pm
St Peter’s College West Campus 1005 Cranbourne-Frankston Road, Cranbourne, Enter via Navarra Drive Gates
GUEST SPEAKER – MS GINA GOSS - GLOWREY HOUSE LEADER & SCHOOL PRODUCTION
B.Ed.; Grad.Dip.Student Welfare; Cert IV Assessment & Workplace Training
House Leader, VCE Drama, VCE Media, Dance, Dramatic Performance

Ms. Gina Goss has held the senior position of Year Level Co-ordinator for the last 6 years and now moves into the role of Glowrey House Leader under the new vertical House System. She works closely with her students and her Learning Advisors each day and will give her perspective on the benefits of the House system for both students and families. Gina also holds the role of Production Co-ordinator and will give an update on the progress of “The Little Shop of Horrors” which will be performed in Term 3 at the George Jenkins Theatre, Frankston.

Mrs. Karen Walker
PRESIDENT OF PFA

ST PETERS COLLEGE WEBSITE
Visit our College website www.stpeters.vic.edu.au for all up to date information on the College structure and activities. Recent updates includes Year Of Grace update, St. Peter’s College SenseAbility Award, Principals Study Tour, Library News and the details to register to get your College Newsletter on-line. You will also find the Parents & Friends AGM Minutes and latest Meeting Minutes. You will also find in ‘News and Events’ stories and pictures of the ‘Day to Day’ College life of our students.
**Cranbourne East News**

**College Uniform**
All students are expected to wear the full College uniform to and from school as well as when they are at school. The College Blazer is part of the uniform that must be worn to and from school at all times. The College tie is part of the winter uniform for terms three and four and is required to be worn with the top button of the shirt or blouse done up. Your support in these matters is greatly appreciated.

**Homework Club**
At this time of the term, many students find themselves under pressure to complete assignments and homework on time as well as study for tests. Homework Club operates in the Discovery Centre from Monday to Thursday - 3.30-4.30pm and is supervised by Special Programs staff. It provides a great opportunity for students to complete tasks and seek help where required to get through this busy time of term.

**World Environment Day**
Last Wednesday the 6th June marked World Environment Day. Mr. Antoine and the Environment Club led an assembly detailing the activities they have been involved in, including the vegetable garden and lemon tree. They also launched an initiative that will hopefully keep our campus in pristine condition.

Mr. James Roberts
*Head of Campus - Cranbourne East*

**AVILA HOUSE REPORT**
During the past few weeks, we in Avila house, have had the once in a lifetime opportunity of selecting our very own House Symbol and motto. Based on a vote we came up with an exclusive masterpiece, representing our patron Saint Theresa of Avila.

Our Forum Leaders and a small working party will continue to work on completing what will become our House footprint for the future. With the united work of the house we have created a legacy to leave behind for future generations here at St. Peter’s College.

During Semester One, Avila house has progressed into a shared community with the set up of a House Heroes wall. This month we congratulated Jackson Boyd who went to Queensland to represent Victoria in baseball.

Well done to all in Avila House for all their efforts this semester!

Kara Spierings
*Avila House Captain*

---

**St. Augustine Charism Day**

Last week in Augustine we had our House Charism Day we got all house students involved in the designing of our very own emblem, motto and image that will be used to show the significance of the teachings, principles and beliefs of St. Augustine. Year 12’s found it imperative to contribute in the designing of a motto and emblem in order to leave their legacy for year levels to follow and all the other year levels undertook the initiative to make their mark on the future identity of the House. All the students in the different Tutor Groups brought forward innovative and remarkable ideas that linked St. Augustine to St. Peter the man and St. Peter’s the College. Central ideas involved; the keys to the Kingdom of Heaven given to St. Peter, the burning heart of St. Augustine and the upturned crucifix representing St. Peter’s persecution because of his faith in Jesus. All students were involved in a BBQ lunch in House groups to continue the theme of House Unity. All Tutor Groups, as well as the students from Cranbourne East, then came back together in period 4 to show their designs and explain how they had come up with their final pieces. Students are due to vote on the image, design and motto to represent our house shortly and are keen to find out the winning Tutor Group.

Steph Metz
*Augustine House Captain*

---

**RICE DAY**

A re-launch of a 2009 event at St. Peter's College is Rice Day, it's back!!!!

Rice Day will be taking place on 21st June. The day is all about raising awareness for those in need, and is a time to reflect on how the population of third world countries live on a day to day basis.

To achieve this, the Social Justice team along with the SRC and the student body are hoping that on the 21st June, all that a student does for a day, is to have one bowl of rice. This may be a struggle for some, but can I please ask you to sacrifice 1 day of food to raise awareness for the struggles that people all over the world have to go through.

The bowl of rice will be provided by the school, from the Food Tech 2 room window, at the price of a $1 donation. To participate on the day will not only be for a great cause, but will open your eyes to the hardships of those less fortunate.

Thank you for your consideration and I look forward to seeing a large number of participants.

Kevin Noble
*Social Justice Captain*
GLOWREY HOUSE REPORT

Term two has proved to be a jam-packed stretch filled with fun and challenging events that kept all of Glowrey House on its toes! We are proud to say that each Glowrey member returned to the second term with enthusiasm and excitement, resulting with great participation levels in all house-based activities and pastoral periods. As always, in mighty Glowrey fashion, we faced each challenge with eagerness and optimism which promised many students the reward of success in their efforts.

The House Cross Country, which was conducted over two days, saw many Glowrey students from all year levels participate and earn points to contribute to the awarding of the Cross Country shield to Glowrey!!! Congratulations to all participants; our determination proved fruitful once again!

Further congratulations must go to Daniel Rohan for taking out 3rd Place in the House Paper Plane Tournament. With his fine paper plane designs and flying techniques Daniel once again demonstrated fantastic Glowrey house spirit!

Term two has also required each House to begin the process of creating a House motto and symbol. This is a momentous task that is vital to the emphasis of the new House System in St. Peter's College for 2012. It contributes to the building of our House identities and initiates the legacy of the Houses which will be carried on for many years to come. A pastoral period, which was conducted on 30th May, involved each Glowrey Tutor Group working together to brainstorm motto ideas relevant to the qualities of our patron Sister Mary Glowrey, while also creating several designs for a symbol. To top off this wonderful session of enthusiasm, Houses later combined to conduct lunchtime barbeques. Together Glowrey and Augustine House members worked to hold a great lunch, and a big thank you must be said to the teachers and students involved in preparing, cooking and serving. We finished the day by gathering as a House to share the designs we had previously created, which are now in the process of revision with the final designs to be selected soon. These exciting times have also provided extensive challenges. Congratulations to the Year 9, 10 and 11 students who have finished their midyear exams, and good luck to those year 12’s who will be undergoing their VCE midyears this week. Also, we hope that all year 10 students are enjoying their current work placements and look forward to hearing of their experiences upon their return next week.

We appreciate each individual effort that our fellow “Glowrites” are portraying, and we hope that the end of term two will be just as exciting as the beginning. With the epic St. Peter’s Day still in store, it is promising to be fantastic!

Taylor Piggott and Jess Hall
Glowrey House Captains

SIS Intermediate Girls Soccer

The first day of June was ushered in with glorious conditions for the away trip to John Paul. After a quick application of the Factor 50, the girls took to the field and following the early blow of losing young phenomenon Dakic to injury, soon took up camp in the opposition half. The breakthrough however was not forthcoming until finally a cheer went up ‘from Paris to Berlin’ as Magias drilled home from inside the box after a well worked set piece. At the interval Captain Tatham rightly judged the first half performance as a 4 out of 10 and more aggression and drive was demanded. C. Parisi was moved into the Engine Room to facilitate this and the rewards duly followed. An even better 2nd from Magias was added to by Nguyen, Tatham and the aforementioned Parisi to seal a 5-0 victory. With the Year 10’s on Work Experience next week, others may well have to stand up to ensure the Pennant is delivered to its rightful place.

Mr. Andrew Broadley
COACH

DREAM
Trade Training Centre
Year 10 Trade Taster programs

The Dandenong Regional Education Alliance Model (DREAM) will be offering the following Taster Programs at Chisholm TAFE commencing Term 3. These programs will be delivered over a 6 week period at 4 hours, one day each week in either an AM or PM session time.

These Taster programs are designed to give students an understanding of the training that will be completed for each trade area and provide them with practical experiences linked to their learning.

CALENDAR AMENDMENT
STUDENT FREE DAY
Monday 18th June
(Report Proof Reading Day)
Participation will also provide a valuable guide to those students seeking to enter further Certificate II or III Vocational Training as part of their VCE or VCAL programs in 2013. Students undertaking these programs will be required to complete the taster program in the following combinations:

- **Hairdressing (12 hours) and Beautician (12 hour),**
- **Building Trades (12 hours) and Plumbing (12 hours),**
- **Electrical (12 hours) and Electro-Technology (12 hours),**
- **Horticulture (12 hours) and Aquaculture (12 hours),**
- **Engineering (12 hours) and Manufacturing (12 hours),**

These Taster programs will be offered at the DREAM Trade Training Centre, Building ‘T’ at Chisholm TAFE Dandenong.

The cost for each student will be $119.00 each plus a material charge of $60.00. Class sizes will be 16 students and the taster program will be offered in 4 hour blocks, (AM or PM), on a Monday or Thursday commencing week 3 of Term 3.

Applicants are invited to speak with their School based Career Teacher and submit applications via the SELLEN Vet Portal. Trevor Crellin - Dandenong High School & Murray Lindley - Chisholm TAFE, Dandenong

**PROGRAM DESCRIPTORS**

**Hair and Beauty Trades Experiences – 24 hours** - In this Hair and Beauty Trades Experience Pathways program, participants will learn the basic skills and knowledge needed to work in these trades. **Participants will complete 12 hour training experiences in Hairdressing and Beautician Trades.**

- **Hairdressing - 12 hours** - The program will enable participants to develop their understanding of the training requirements in the hairdressing industry. Students will participate in applied learning exercises that will enable them to develop basic skills used in the industry

- **Beauty - 12 hours** - Participants in this program will learn about make-up essentials from primers and foundations and how to apply false eyelashes. By completing as much practical learning as possible, students will learn step by step techniques to create make-up looks, identify skin types and how to use skin care products

**Building Trades Experiences – 24 hours** - In the Building Trades Experience Pathways program, participants will learn the basic skills and knowledge needed to work in these trades. **Participants will complete 12 hour training packages in Carpentry and Plumbing Trades.**

- **Carpentry – 12 hours** - Students will complete practical learning experiences that are aimed at developing carpentry hand tool skills and a knowledge of basic construction practices. Participants will also learn the basics of OH&S relevant to the tasks undertaken in the training.

- **Plumbing Trades – 12 hours** - This practical program will assist participants understanding of the skills used in plumbing practice and develop an understanding of work skills needed in this industry. Practical tasks will help students learn about safe workplace practices through and the development of basic plumbing skills that are used when working with plastic and metal products.

**Electrical Trades Experiences – 24 hours** - In the Electrical Trades Experience Pathways program, participants will learn the basic skills and knowledge needed to work in these trades. **Participants will complete 12 hour training packages in Electrical and Electro-Technology Trades.**

- **Electrical Trade – 12 hours** - This Electrical Trades Pathway program is designed to develop an awareness and understanding of the skills needed to work in this industry. Participants will complete a practical course that will develop students understanding of what an Electrician does. Students will undertake applied learning exercises that will develop their understanding in the safe work practices in the electrical industry, the use of a range of trade tools and discover how we use electricity. An understanding of OH&S applications will be experienced through the completion of practical tasks.

- **Electro-Technology Trade – 12 hours** - This course introduces students to the role of the electrician and will help develop an awareness of what electricians do and the training required to work in this area. Students will undertake applied learning exercises that will develop an understanding of safe work practices in the electrical industry, the use of a range of trade tools in dismantling, band fabricating electro-technology components.

**Engineering Trades Experiences – 24 hours** - In the Engineering Trades Experience Pathways program, participants will learn the basic skills and knowledge needed to work in these trades. **Participants will complete 12 hour training packages in Engineering and Manufacturing Trades.**

- **Engineering Technology – 12 hours** - This Engineering Technology Pathway program has an emphasis on practical training that will include a wide range of skills that will be used in this industry. Practical tasks will guide students in learning safe workplace practices through the development basic engineering skills that are used when working with Metal products.

- **Engineering Manufacturing – 12 hours** - This Engineering Program has a hands-on-focus that has been designed to allow career pathway into engineering pre-apprenticeship or other streams of engineering such as fitting and machining or manufacturing. This program will include a wide range of skills that will provide a foundation in engineering practices through industry recognised training that will develop student’s awareness in the engineering and manufacturing sectors.

**Horticultural Trades Experience – 24 hours** - This Horticultural Pathway program has an emphasis on practical training that will include a wide range of skills that will be used in the many different employment opportunities. Practical tasks will guide students in learning safe workplace practices through the development basic plant identification, landscaping skills and aquaculture applicable to the horticultural industries.

- **Horticultural Trades Experience – 12 hours** - This Horticultural program is for anyone with an interest in horticultural industries that include, landscaping, plant propagation or sports turf management. Practical tasks will assist those who wish to pursue a career in these industries by gaining knowledge and basic trade skills that will allow you to explore your interest and develop your abilities in these areas.

- **Aquaculture Trade Experiences – 12 hours** - This Horticulture Aquaculture Program will develop student’s awareness in the applications of hydroponics and its use in horticultural industries. Practical tasks will guide students in safe working practices when handling plants and assist them in gaining basic skills and awareness of hydroponics and the use of water (aquaculture) in plant development and different soils.
Traditionally June is the month of special devotion to the Sacred Heart of Jesus. It is customary for our students to make a special effort to assist the SVDP Winter Appeal at this time and to offer their collection of goods at a mass. The mass for this occasion will be at the East Campus on Thursday 14th June at 9.15am. Devotion to the Sacred Heart, as with many of the devotions of days gone by, is no longer strong and most school age children know nothing of them.

I believe that awareness of the place in daily life that these devotions once had is not only thought provoking but challenging. One of the traits of such devotions was to take a moment maybe a few times a day to say a short prayer. That way, God, “the sacred” were brought to mind amidst the daily hustle.

Hopefully, as time goes by, something of this may come from a deep awareness of the lives and example of our College Patron, St. Peter and each of our House Patrons. By leading our students to a knowledge of the “charisms” of their House Patron we unearth a significant prayer life and a sense of offering their daily prayer and actions to God.

Today (13th) brings to mind St. Anthony of Padua, my patron Saint whose memorial is today. If a child has a Saints’ name, it is valuable to help them become aware of who their Saint is and something about their story. It is surprising to see how engaging some of the stories of Saints can be.

This month is a busy time here with exams, reports and work experience taking up a lot of time and energy, the perfect time to stop occasionally and share the work or the moment with God or your personal Saint!

Nobody wants to live in the past but some of the things we have let go of would be well worth revisiting, after all what have we replaced them with?

Deacon Tony Aspinall
College Chaplain

**A Prayer for Students**

Lord Our God, in your wisdom and love you surround us with the mysteries of the universe. Send your Spirit on all our students and fill them with your wisdom and blessings. Grant that they may devote themselves to their studies and draw ever closer to you, the source of all knowledge. St Peter Pray for us. Amen

**ST. AGATHA’S NEWS**

INVIGORATE YOUTH GROUP – 2nd & 4th Fridays. 7.30pm in the Hall. Yanni – 0423 329 454

ST VINCENT DE PAUL ‘WINTER APPEAL’: A special leaving collection will be taken up at all Masses next weekend. Envelopes are also available in the foyer. SVDP is also asking for donations of blankets, clothing and non-perishable food items to assist with the winter appeal. Items can be placed in the baskets next to the sanctuary.

AUSTRALIA NEEDS FATIMA IN CONJUNCTION WITH THE LEGION OF MARY CRANBOURNE PARISH: Invites Parishioners to attend an afternoon with Our Lady of Fatima in the Church Hall on 16th June 2pm to 5pm. This special event to honour the beautiful statue which represents Our Ladies message of love, peace and hope to all. There will be a special presentation followed by afternoon tea. R.S.V.P Lorraine Dunkley on 5996 8771.
