Welcome to 2013

Welcome to all the parents, students and staff of the St Peter’s College community to the 2013 School Year. I particularly extend a warm welcome to our new families at either the West or East Campus who join our community for the first time. I believe you will find this community both welcoming and challenging for your sons and daughters, which is as it should be if they are to develop their gifts and talents to their full potential.

Our Theme for this year “You are Peter” brings to focus the time when Jesus calls Peter by name and sets out the challenge for him to build God’s Kingdom. Jesus calls us in many different ways to do his work, how Peter responded and how we respond will be a point of reflection throughout the year.

VCE Results

Of the 121 students who started their VCE and VCAL in 2011 it was pleasing to see that 100% satisfactorily completed their respective Certificate’s. I am also pleased to announce Daniel Martens as the Dux of the college with an ATAR entrance score of 95.1, ranking him in the top 5% of students in the state. In total 89 students received offers for either University or TAFE while the remaining 32 students have taken up opportunities as apprentices, trainees or other forms of employment.

Year 12 Retreats

The year 12 retreat will take place this week and will provide some time away for our students to reflect on what matters in their life and the future ahead. In a year where the importance of year 12 can become overwhelming, the retreat gives our students time to reflect on what gives them purpose and meaning in their lives and to identify what really matters as they start the journey into adult life. I thank Mr Steve Nash, Deacon Tony, Mr Greg Nelson and the staff who are busily preparing the activities and sessions and who with dedication and passion give up precious family time to make our retreats successful.

Prayers for Fr. John Allen

Over the last month a Novena through the intercession of Saint Mary MacKillop has been offered for Fr John Allen Parish Priest of Kooweerup who has been diagnosed with cancer. Fr John is well known by many parishioners in the Diocese of Sale and has spent the last 14 years as Parish Priest of Narre Warren. I ask for your prayers in support of his recovery.

Novena Prayer

Ever generous God,
You inspired Saint Mary MacKillop
to live her life faithful to the Gospel of Jesus Christ
and constant in bringing hope and encouragement
to those who were disheartened, lonely or needy.
With confidence in Your generous providence
and through the intercession of
Saint Mary MacKillop
we ask that You grant our request for

- Father John Allen -
Statement of Faith

We believe in God’s loving kindness for all people.
Through our faith and hope in God’s love
we are confident that our prayers will be granted.
We pray through the intercession of St Mary MacKillop
whose life demonstrated the effects of God’s great love.
We humbly and joyfully acknowledge
God’s honour and glory in our world.

Congratulations

I congratulate Arts Captain: Ryan Pola who was selected for the National Gallery of Australia and National Bank 2013 National Summer Art Scholarship. Sixteen students, two from each State and Territory are selected every year by a team of art Professionals to participate in the scholarship. The program, which was held in Canberra at the National Art Gallery from January 12-19, included art making, aspects of exhibition design and presentation as well as an exploration of the operational aspects of a National Cultural institution. Well done Ryan.

Staffing

I welcome our new staff to St Peter’s College and look forward to the contributions they will make over their time here. The staff directory is published by way of introduction of new and old staff to all members of our community and to identify their permanent location at either the West or East Campus.

Parents and Friends Association

The first meeting of the Parents & Friends Association will take place on Tuesday the 12th of February at 7.30 pm in the staffroom of St Peter’s College and I invite all new and old members of our community to attend. Throughout the year various members of the teaching staff will present to the P&F meeting by way of introduction and to allow parents to gain a deeper understanding and appreciation of not only the work they do here but of the talent and passion they have for education. The meetings are informal and have as their focus a number of fundraising activities aimed at providing funds for a range of student programs and activities.

Newsletter

The Newsletter will be distributed on the Wednesday of each week to families by email linking them to the College web site and Newsletter Page. Please ensure that valid email addresses are submitted to the College as part of our annual family data update. Should you not have access to the internet or email, a printed copy will be available for distribution to your youngest child at the College each week upon written request to Student Reception, at the Cranbourne West Campus of St Peter’s College.

Industrial Action

The Independent Education Union of Australia (IEUA) has called for Industrial Action to take place on February the 14th in support of the Australian Education Union in its protest against the Baillieu Government over new award negotiations. This action may have an impact on Catholic and Independent schools. As a result we have moved the date of the opening school mass from the 14th of February to the 21st of February. Should school closure or partial school closure be required on the 14th due to staff taking industrial action you will be informed via SMS, email and our College Website over the coming week.
From the Deputy Principal of Students

I would like to extend a very warm welcome back to all members of the St Peter’s Community to the beginning of the 2013 school year. I trust the break allowed everyone to recharge, relax, spend time with family and friends and set goals for a successful and enjoyable 2013. A special welcome to all of our new students.

2013-SRC LEADERSHIP TRAINING DAY

On December the 12th of last year, a number of staff facilitated a Leadership Training Day for our 2013 Student Leaders. This allowed the students to participate in some team building activities, increase their skills and knowledge on good leadership practice and to set goals and begin planning for a successful 2013.

I would like to congratulate all of the student leaders who attended and thank the staff that ran the sessions.

Hopefully, this will be the launching pad for a fantastic year for the SRC.

THE BEGINNING OF 2013

The School year began on Thursday the 31st January for the Year 7 and Year 11 students. The Year 7s began with a Year Level Assembly, where they heard from The Principal, Mr Hogan and the Year 7 Transition Coordinator, Ms Pereira. Then the Yr 7s went to their House Areas, where they were “buddied” up with a Year 12 student in their House /Tutor Group. This marks the start of the new students getting a sense of belonging to their new House within the school. I would like to thank the Yr 12 students who “took the Yr 7s under their wings” and allowed them to feel comfortable and safe.

The remainder of the student body started the next day, 1st February. All students started with a House Assembly, where they heard from their House Leader and a Deputy Principal about the importance of starting the year on a positive note.

House Badges were also presented to new students and new staff of each House.

UNIFORM for 2013

At the beginning of the School year, please be reminded of our uniform standards at St Peters College. All families and students should be aware that St. Peter's has a Zero Tolerance Policy with regards to uniform. This means that certain standards are set and if a student fails to meet these standards, they are then either placed in isolation (Years 7 to 10) and/or given the option going home (Years 11 and 12), until the standards are met. If this does happen, parents will receive a phone call to notify them of the situation at the earliest possible time.

At this stage, I would like to focus on a few of these standards:

- **Facial Piercings.** Facial piercings (eg nose, lip or ear) are not permitted. This includes clear piercings of the above. Students who present with these piercings at school are given the choice of removing the item or having the Zero Tolerance Regulations applied. Please note that it is not an excuse for students to say they have just had the piercing done and it needs to stay in for a period of time to prevent it from closing over.

- **Hair styles**-hair styles or colours deemed to be “extremes of fashion” by the Principal or his representative are not accepted. This includes patterns shaved into the hair on the side of the head. If in doubt with a hair colour or cut that could be deemed to be extreme, it is always best to err on the side of caution.

- **Girl’s shoes** should be **black lace up.** T Bars are not permitted.

- **Boys shoes** must be lace ups, therefore, **slip ons are not permitted**

- **Dress Length-** As of this year girls dresses will be required to be at least knee length

- **Black socks** are not permitted to be worn with the PE/Sports uniform
Shoes to be worn with the PE/Sports Uniform

- Runners should be proper sports shoes that support the feet and facilitate the playing of sport.
- No skate shoes/Vans/Globes permitted

Your cooperation with regards to the above is most appreciated. St Peter’s has a high standing in the Cranbourne Community and keeping to the above mentioned standards will help maintain our reputation. If you have any questions regarding the above, please contact your child’s Learning Advisor

Please note that each student’s uniform has been inspected on the first day back and that letters were be sent home with each student who had a uniform matter that needed attention. This letter outlines what needs attention.

If you have any queries regarding your child’s uniform, please contact their House Leader.

House Information Evenings 2013
At the beginning of the School Year, each House will have a House Information Evening. It is expected that each family will attend the Information Evening of their House, as important information will be given out. It is also a great opportunity to meet/talk to your child’s House Leader and Learning Advisor on an informal basis. A social gathering of the House will take place at the conclusion of the evening.

A letter of invitation will go home to each student next week. Each information session will commence at 7.30 pm and conclude at 9.00pm

Swimming Carnival
Just a reminder that the House Swimming Carnival will take place at the Doveton Pool on Tuesday, 12
  th of February. This is a compulsory College event for all students. Any student who is absent will need a medical certificate. Parents are most welcome to attend.

A letter outlining the details of the Carnival was sent home with students last week.

Anthony Banks
DEPUTY PRINCIPAL-STUDENTS
Welcome to a new school year. We extend a particular welcome to new staff, students and families who are beginning their association with St Peter’s College. Last week all staff commenced renewed and eager to get the academic year underway. Our community continues to grow and develop as a community of Faith, Education & Service and I hope that each student avails themselves of the many opportunities to achieve and grow within our Catholic Tradition.

This first term is, as always, a particularly full one and I alert parents to important dates that will ensure our students get off to a successful start in 2013. Parents are asked to make note of the dates within this newsletter for House Information Nights, VCE Information Night as well as Camp & Retreat information. As we have begun this year, all staff have reinforced the values we uphold and the expectations we have of students within our learning environment. These will continue to be articulated to our new students and reinforced with existing students. Teachers always welcome the reinforcement that parents extend in this regard in emphasising the importance of respect for each other, for staff, for our environment and respect of themselves. This has indeed begun.

I encourage all parents to feel free to contact the House Leader or Learning Advisor of their son or daughter regarding any issue. The Information will provide such an opportunity but parents are always welcome to contact staff as issues arise. All teachers are committed to providing students with every support possible.

Elizabeth Hanney
DEPUTY PRINCIPAL

Cranbourne East News

Welcome to all new East families and welcome back to returning families. 2013 promises to be an exciting, challenging and rewarding year with much work to be done. We have welcomed 100 new students across, Yr 7, 8 and 9. Current enrolments are at 190 students and projections based on this number will see our foundation year level (current Year 9) graduate in front of a campus of 700-800 students.

We have welcomed 5 new staff members to the College and East Campus – Mr Orwin De Kretser, Mr Ziggy Wolinski, Ms Kirsty Molesworth (ex-student), Ms Chloe Thomas and Mr Duane Cox. We are also delighted to welcome Ms Karyn McMenamin who has transferred from the West Campus to teach with us in a full time capacity. Mr De Kretser will also assume the role as our Integrated Learning Coach – our new subject at year 7 and 8

In addition to this we have appointed two staff to assist Learning Advisors and students on their journey through high school. Ms Jodie Connell has been appointed as our Yr 7 transition and Pastoral Leader and Ms Marjorie Canal as our Yr 8 & 9 Pastoral Leader.

Canteen Facilities/ Lunch Service
There will be no canteen facilities for students during recess and so students will need to bring a snack from home for morning tea. There is a change for students wishing to purchase lunch from last year. We will have a ‘Tasty Truck’ lunch van attending the campus each day at the start of lunch. Students can buy their lunch directly from the can and will not need to order their lunch before school. Variety, quality and price is comparable to the lunch service provided last year.

Stage Two
Our Year 7 and 8 building is on track to be completed in April which will hopefully allow us to move in for the start of Term Two. The Innovation Hub is central to the design of the building and an important aspect in the success of our Integrated Learning which all of our Yr 7 and 8 students are undertaking. Our oval is taking shape and should be completed by late March and ready for use in late June/early July. In addition to the oval as part of our stage two landscaping, an additional two basketball courts and cricket nets will be built, earthworks for this has commenced this week.
**Bus Service**
The morning and afternoon shuttle service to Lyall Street is no longer operating. In its place, using the College’s newly purchased bus, we are operating two loop services (Route A and Route B) both before and after school. This is a user pay service and only students who have returned their form and have been issued with a bus pass will be able to access this service. There are still a limited number of seats on both routes, please contact our Office Administrator- Ms Christie for more information.

**Entering and Exiting the Campus**
Please be aware that there is an increased traffic flow into the campus at drop off and pick up times. Pedestrians – both students and parents entering the campus from off-street parking, the bus or walking in are asked to use the pedestrian gate to the east of the entrance to ensure the safety of all concerned. Parents are asked to note that traffic is one way in the carpark at all times, with the Eastern gate being the entrance and the Western gate being the exit.

**Staff Supervision Times**
Parents are asked to remember that staff supervision in the afternoon ceases when the second bus departs at 4.05pm. Additional supervision is available in Homework Club located in the Discovery Centre until 4.30pm from Monday to Thursday. While staff are still often present after this time, this cannot be guaranteed. Parents are asked to ensure their children are picked up by this time.

Mr James Roberts

CONGRATULATIONS TO EX-ST PETER’S COLLEGE STUDENT.
Kristel Krella, a 2010 Graduate of St Peter’s College, has recently been awarded a lucrative Monash University Scholarship. The Scholarship is awarded for Academic Excellence and Equity and is worth $6,000.00, which Kristel can opt to have paid directly into her bank account or pay off her Study Fees. Kristel is studying for a Bachelor of Arts, at Monash Universities Clayton Campus, in Phycology and Sociology. And intends to undertake her studies for Honours in 2014 with Post Graduate Studies in Phycology. Kristal works part time at the moment and will this year undertake Volunteer work with the Salvation Army to give her more experience in her area of study.

Although Kristel was unsure in what she wanted to do career wise when she completed her Year 12 studies, she “is certain now that this is what I want to do”. Congratulations and well done from all at St Peter’s.

RELIGIOUS EDUCATION NEWS

Now that all students are back, and the new arrivals are settling in we realise what a busy and very significant time we are in. Our year 12 students leave on Wednesday for their retreat and the following Wednesday is Ash Wednesday, the beginning of Lent.

The year 12 retreat is very important for a number of reasons. Not least because it may well be the last time that many of the students have a retreat experience. It is our hope that the students will remember past retreat experiences and use this opportunity to revisit that place of peace and stillness that is within each of us. This self knowledge is very valuable in coping with the pressures that the VCE year can bring. It is valuable for the whole of life. God is in the silence, and it is important for our students to be aware of this closeness of God and to allow times when they can simply withdraw from the busyness and noise and be refreshed and renewed.

It is well known that at St Peter’s we strive for education of the whole person. This is not possible unless we give attention to the spiritual being of the person. In this vein, the year 9 students yesterday gathered in prayer to commit to giving the best of themselves for the year. This again helps students to be aware that they have God given gifts and talents and ultimately it is their choice how they use these gifts.

Of course the Liturgies of Ash Wednesday help us all to look inward and see how we are travelling spiritually. In earlier years the words “Remember Man, you are dust and unto dust you shall return” were said to help us put things in perspective. Today we usually use the words “Turn away from sin and live for the Gospel”. No matter what phrase is used the whole point of receiving ashes is to look honestly at what we need to change in our lives and to strive to do that. The students will all experience the reception of ashes and begin Lent that way. To make this experience a real “Lived” experience it is good to mark the season of Lent in the home in some way. Maybe a brief prayer before a meal, or maybe as a family go without a favourite food for one meal. It doesn’t matter what, as long as it helps to maintain the focus.

Something to focus on as a family is the fact that Ash Wednesday and Good Friday are days of fasting and abstinence. That means that we eat less and abstain from eating meat. The law of fasting applies to everyone from eighteen years to the beginning of the sixtieth year. Abstaining from meat applies to all who have completed their fourteenth year.

A prayer for open hearts.

God, source of our joy,  
Give us the strength to rely on your love in  
Turning away from our selfishness  
Back to right relationship with you.  
We ask this through our Lord Jesus Christ,  
Your Son, who lives and reigns  
With you in the unity of the Holy  
Spirit, one God, for ever and ever.  
Amen.
