SIS Performance Evening
On Tuesday night our students performed at the Drum Theatre in Dandenong as part of the SIS Performance Evening titled the “Big Night”. The students completed many hours of rehearsal during lunchtimes and afterschool and were well prepared by Mr Matthew Sharpe and Miss Karissa Robertson. Their performances on the night were spectacular reflecting their talent and passion for the Performing Arts and I thank them all for being such wonderful ambassadors for our school.

Choir Participants:
Amanda Abyratne, Ashley Abyratne, Avi Araneta-Puyat, Gemma Clover, Brianna Grigg, Jendre Layug, Britney Phillips, Eliza Tatham, Ryan Trost, Renee Wood, Chole Harbour, Baylee Mathers, Jasper Lily Van Der Kaay, Ebony St. Mart, Emilyn Moroney, Tameeka Shanks, Kayla Hardy

Ukulele Ensemble:
Lesha Clarke, Michael Curmi, Will Veenman, Aaron Quintal

Dance:
(Hip Hop) Brandon Fernandez, Brandon Moncur (Show Dance) Courtney Burns, Alisha Pallant (Contemporary) Bree Ashwood, Hannah Kyberd and Taylor Piggott who performed the solo for St Peters.

Fashion parade entrants as part of the Harmony Day Celebrations last Thursday.

Stations of the Cross
As a whole school we will re-enact the Stations of the Cross on Wednesday as a prelude to the Easter Ceremonies which begin on Holy Thursday. The Stations which are performed by our year 12 students gives us the opportunity to reflect on how the suffering and crucifixion of Jesus Christ not only gives meaning to the life we live but also reminds us of God’s promise for eternal life.

Mitch Rabot Shield
The Mitch Rabot Shield was contested in great spirit on Monday night with the staff prevailing over a very willing and committed student team. Mr Mitch Rabot, who along with Mr Pat Grant has been a key contributor in the establishment of cricket programs at St Peter’s, was present to return the shield to staff captain Mr Justin De Goldi for another year’s safe keeping.

End of Term
I look forward to seeing many of our parents at the end of term interviews taking place this Wednesday and Thursday and wish all members of our community a safe and Holy Easter Holidays.

HAPPY EASTER FROM BISHOP PROWSE

Dear Friends in Christ,

Easter 2013 has perhaps arrived a little earlier for us this year!
This is not because of an earlier date in the calendar, but the arrival of a new Pope!
The election of Pope Francis has given us all a sense of joy and hope that only the Easter Christ can give!
Already Pope Francis has talked about the absolute centrality of Christ Crucified and Christ Risen from the dead. We cannot live Christianity without the crucified Christ. Only Jesus redeems our sufferings. Nor can we imagine Christianity without the splendor of the Easter Jesus. Without this our faith is without basis.
In this Year of Grace and Faith, may your parish communities and families be blessed in the sure hope that Jesus leads us all in our troubled times to glory.
Happy Easter to all! God bless you always.

Stage Two News
Our New Year 7 & 8 building will be completed over the coming school holidays. This will enable us to move in during the first week of Term Two and we envisage minimal disruption to students’ learning during this time. I am extremely grateful to the builders who have worked hard to have the building ready on time. Both staff and students are excited about moving into their new environment, particularly those involved with Integrated Learning and the new Innovation Hub.

View of Yr 7 & 8 building across partially constructed oval

Integrated Learning - A brief St Peter’s College overview
By now, many of the Yr 7 and 8 students have been home and discussed a subject called Integrated Learning, to which you’ve probably replied - what is that? Traditionally at Yr 7 & 8 we have taught subjects such as Art, Drama, Media, Design Technology, Information Technology and Visual Communication as stand-alone subjects with no (or very little) connection between them and not a lot of contextualisation with the real world.

Our version of Integrated Learning - and there are different versions – seeks to address this situation by drawing the subjects together to show students how the subjects and their learning connects and to assist in developing a context with the real world. Recent research into how the brain learns in a 21st century learner indicates that students learn best when they can connect their learning from different subjects and place it into context with the real world.

Traditional Model

21st Century Model

- As we develop our Integrated Learning model, we will seek to include other subjects.
- While the teaching and learning of skills and knowledge has changed, the necessity for assessments including assignments and tests have not.
- As students progress into post compulsory schooling (VCE/VET/VCAL), they have the ability to pursue a pathway which best suits them. There is also a greater focus on understanding and applying content and a reduced focus on developing foundational skills. These two aspects of schooling reduces the ability to integrate learning at higher year levels.

Easter Liturgy
Today, CSYMA students from the West Campus joined us to help with our Stations of the Cross Liturgy. It was beautifully put together and delivered by the students using our environment to remind us of what Jesus did for us by sacrificing his life on the cross – he hoped that we would live better lives by having a closer relationship with God and those around us. It also reminded us that we are in the middle of the most important time in the Church’s calendar. Easter is about renewal, I hope all families take the opportunity at this time to reflect on their journey and look to move forward with a sense of hope and happiness.

St Peter's College staff donate to PNG Project Kimbe
Thank you so much to all those people who have donated books and other materials to Project Kimbe.
I have just handed over another 300 Kilograms (22 boxes) of books that staff have donated.
All up, this year St Peter’s College has donated…………
A STAGGERING 894 kg
of stationary, books and other learning materials to the communities in PNG.
Thank you all.
The container is now over 75% full, and they have enough materials for this load.
On behalf of everyone involved in the project, I’d like to pass on their most sincere and heartfelt thanks for your amazing contributions.
To read more about Project Kimbe please visit the College website and read the News item attachment.

TEACHER/CARBON MANAGEMENT

Parents of Year 7 Students.
With the excitement, stress and little bit of anxiety winding down from your child’s Term One of Secondary Schooling I was hoping to communicate with our parents to consider:

Homework
Here at the College we understand the big leap from Primary school and that is why homework is lessened for the first few cycles of Term One for the students. This gives them time to settle in and feel comfortable in their surroundings. As stated in the Student Record Book Year 7 students are expected to do 1 hour of homework per night. Homework can be but is not limited to:
- work not completed during class time
- activities, questions or reading that serve to enhance what has been taught that day or preparation for the upcoming lesson
- revision in order for them to consolidate what has been learnt

We understand that students have other commitments outside their College Life and this is where time management is the key. Use of the Student Record Book and a personal planner/calendar at home is a fantastic way in order for students and parents to see what is coming up and when tasks need to be submitted. There may be occasions where assignments and homework pile up and students are encouraged to utilise the following:
The College Library is open Monday-Friday 3.30-4.30pm for students to access computers and books. They may wish to use this hour after school during the term to get homework completed so there is less to do at home.
Maths Help classes run every Monday 3.30-4.30pm
Homework Club is on Monday-Thursday in Special Programs (Library) 3.30-4.30pm – students can go here and get help whether it is an activity, an assignment or even just a simple clarification question for all subjects.

School Bags
On weeknights students should only be taking home books and items that are essential for that night in terms of homework, revision etc. If they have folders for certain subjects it is handy to just take a plastic pocket of spare paper and any notes from the class. This may help in reducing the load students are taking home. If a subject’s textbook provides a CD ROM for students to use and you have access to a computer then there is no reason to take the textbook home. I understand that parents may be concerned about the weight of their child’s bag. Staff at the College instruct students to only take home what they need. If for example they have an Art class and have completed all their work and do not have homework then the sketchbook and Art stationery does not need to go home. For English Studies there are quite a lot of books, however, they do not use all the textbooks, workbooks and novel all at once all the times. Therefore, they need to think about what goes home and what stays in their lockers.
Congratulations to all the Year 7’s on a fantastic Term One and Happy Holidays!!!

Ms. Rivonia Pereira

MONDAY TO FRIDAY. 9 AM TO 4PM AS FROM TUESDAY AFTER EASTER.
ALL STUDENTS WISHING TO STUDY ARE WELCOME.

AFL JUNIOR UMPIRES ACADEMY
After its great success in 2012, the AFL is again working with the South East Juniors (SEJ) to deliver an AFL Umpiring Academy program at the College for both boys and girls from year 7 to year 12 to learn the skills required for AFL umpiring.
From this Program Year 8 to 12 students will also have the opportunity to umpire SEJ AFL football matches throughout the local area, at competition level, each Sunday in Term 2 and 3. Last year two of the participants went on to umpire Grand Finals!
Get fit, learn new skills, and earn some money…… Training will begin Thursday April 18th after school at the West Campus playing fields. Ex-AFL umpire Darren Goldspink (who umpired 6 AFL Grand Finals) will be conducting the training sessions with our member of staff, Mr Greg Nelson, a veteran of local Junior Umpiring assisting as College Liaison.
Please note: If you participated in the program last year and wish to umpire again in 2013, starting on Sunday 7th April, please contact Mr Nelson via the college gnelson@stpeters.vic.edu.au.
**Attention Year 9,10,11 : 2013 Japan Study**

In September this year the college will conduct a two week study tour to Japan for Year Nine, Ten and Eleven students studying Japanese. The tour will include approximately one week sightseeing, visiting cities including Kyoto, Hiroshima and Tokyo, followed by a one week visit to our sister school in Japan’s northern most island, Hokkaido. During the second week students will experience the life of a typical Japanese high school student, attending school each day and living with a Japanese family. This is an excellent opportunity to immerse in the language and culture the students have been studying here at St Peter’s. The college tries very hard to keep costs at a minimum and this year so far we are lucky with the strong Australian dollar. Students can collect an expression of interest letter from their Japanese teacher or from student reception. Signing the letter does not commit the student to participation it only lets us know the student and family is interested in finding out more about the trip. An information night will be organised next term. If you have any queries in regards to the trip please contact me at school or email ybonica@stpeters.vic.edu.au.

We look forward to celebrating ten years from Year 12 with you!

Congratulations to Jaide Collins, who has recently been selected to represent St Peter’s College in the Schools Sports Victoria Pizzey Cup tennis team. Getting into the SSV team has been an aim for Jaide over the past few years and is reward for her many hours of practice. Jaide has most recently undertaken a leading role for the Victorian League tennis team and achieved a pair of wins at the Rye Silver Australian Money Tournament over the Australia Day weekend in singles and doubles.

MacKillop House student, 16 year old, Jaide Collins, who is currently ranked 82. (moving from 161 in May 2012) in the Australian Tennis Women’s Rankings, has recently had to commit to a big life change in relation to achieving her education and tennis aspirations. For the past two years Jaide has been undertaking her school studies with Distance Education Australia after her former school in Narre Warren was closed. Although Jaide was doing very well in her studies, she knew that she needed a structured school environment to achieve her VCE scores that would give her the best chance of gaining admission into the American College System. But with her goal of entering the American College system after completion of her VCE studies, and with her Tennis Australia rankings on a steady progression upwards, Jaide and her family needed to consider where she could best maximise her VCE results, while at the same time maintaining her gruelling training and competition schedule.

Jaide who is considered a very motivated student accepted a position at St Peter’s College, Cranbourne this year for her final 2 years of study, undertaking 2 of her Year 12 VCE subjects, Physiology and History studies this year, in conjunction with her Year 11 subject study load.

Nowadays she trains a minimum of 5 days a week, on top of her competition commitments. She tells us that without the constant and unwavering support of her parents, who take not only her to her local tennis courts in Cranbourne South, but also have invested in purchasing and therefore transporting a ball machine for her to practice against.

Overall in 2013 Jaide has played 15 matches winning 11 and 12 doubles matches winning 11 of those. She has achieved all this, and more while settling into her new college life at St Peter’s College. An impressive result by a 12 VCE student, Phycology and History studies this year, in conjunction with her Year 11 subject study load.

Saint Peters defeated Saint Francis Xavier 20 to 16 in a very thrilling game where Saint Peters came from six behind at half time to win by four. Daniel Rohan took over as goal keeper at half time and was a tower of strength stopping all goal attempts in the second half. The way in which the team pulled together and sucked the fight and desire from their opponents was a sight to behold, a gruelling training and competition schedule.

Each week the team is improving its skills and learning the finer points of the rules. I am sure the team is looking forward to our final game against Berwick Grammar.

ASSISI HOUSE NEWS

Assisi House at St Peter’s College held an impromptu Liturgy to celebrate Pope Francis the First election.

Assisi House Leader Mr Roger Hampson asked his students “to celebrate the occasion and take a moment to consider the synergy between their House and lives and the path chosen by our new Pope,…. to continue to be ‘Knights of Peace’ and to carry the message of St Francis of Assisi to ‘preach the gospel at all times and when necessary use words’.

On the morning of the Popes election being announced the students and staff of Assisi House come together before first class to celebrate the announcement that Archbishop of Buenos Aires, Cardinal Jorge Mario Bergoglio had not only been voted as Catholic Pope, but that he had taken the name Pope Francis 1, from St Francis of Assisi.

The link between Assisi House (St Francis of Assisi) at St Peter’s College and Pope Francis and St Peter’s Basilica, was not lost on the students, many expressing how great they thought it was, when first arriving at the College Campus and the Tarraville building which is home for Assisi House.

During the impromptu Liturgy, Mr Hampson, talked of his waking unexpectedly during the early hours of the morning, to switch on the TV and see the white smoke that indicated that a New Pope was to be announced and his delight at the news at the Pope had chosen to be known as Pope Francis 1, from St Francis of Assisi. He went on to say that when Pope Francis 1, “appeared on the balcony for the first time, I was struck by the simple dress he had chosen to wear, and the immediate link that had to me with St Francis of Assisi choice to give up his worldly goods, including his clothes to live his life dedicated to God”.

He goes on to say “that I see a clear synergy with what I know of Pope Francis 1 and his link to St Francis of Assisi and one of the key messages we as a House have adopted…..live your life with humility and simplicity, and bring to those around you, working to achieve changes in the spirit of St Francis of Assisi…..peace, poverty and a simple lifestyle”.

RELIGIOUS EDUCATION NEWS

The Stations Od The Cross will have been enacted at both Campuses by the time you receive this Newsletter. As I mentioned in the last edition, we did not have to coerce students to take a role in this. It is a wonderful way of engaging with the story of Jesus’ Passion, and it becomes obvious as the students become more familiar with the words they are saying that they are touched by what they say.

It is often said in Catholic circles that we are a “Resurrection People”. That is, we believe in the saving power of Christ. I have mentioned before that we see that in how we deal with students who transgress in some way, they are not condemned or shunned but rather encouraged through restorative practices to regain their proper place in proper relationships.

This helps our students see the beauty of Jesus’ words “I have come that you may have life, and have it to the full” There is not only a place in our lives for forgiveness, there is a great need for the forgiveness of God which begins in our respecting and loving our neighbour. We can never have a full life if we harbour grudges and old hurts. The stations of the cross teach us that even after the dreadful and completely unjust suffering of Jesus, he asks forgiveness for those who did this to him.

We have the example and teaching of Jesus to lead us to a life of justice in our dealings with others and to find forgiveness for others, just as we are forgiven by him. Archbishop Denis Hart announced that Sr Mary Glowrey JMJ will be declared a Servant of God in India on 27th March 2013. This step towards Beatification will take place in the Cathedral of the Diocese of Guntur where Sr Mary worked. One of Sr Mary’s achievements was the establishment of the Catholic Health Association of India. An exciting time for Glowrey House.

It was also reported this week that Pope Francis will begin the process for Beatification of Archbishop Oscar Romero who was assassinated in his Cathedral in El Salvador in March 1980. Pope Francis is one of many who regard Oscar Romero as a Martyr and a Saint. More excitement in Romero House.

Prayer of Forgiveness

God of forgiveness,
your Son experienced the hurt of betrayal
by one of his closest companions.
While we take comfort in the fact that
Christ knows and has experienced our pain,
we pray that you preserve us
from dishonesty, selfishness, and
betrayal so that we always cherish our
friendships as signs of your love.
We ask you this through our Lord Jesus
Christ, your Son, who lives and reigns
With you and the Holy Spirit, one God, for ever and ever.

Amen

MACKILLOP HOUSE NEWS

Where has the term gone? As the new leader of MacKillop House it has certainly been a whirlwind of activity in Term One 2013. Having just moved home to Melbourne from St Mary MacKillop College in Canberra, I have received a wonderful warm welcome to MacKillop House at St Peter’s from both staff and students. Our House leaders Jack Lacy and Rebecca Wallis began their leadership strongly, encouraging all to participate in the College swimming carnival and modelling great enthusiasm in dressing up. Supporting our House Leaders are our Forum Leaders. Congratulations to Jessy Limkalan, Matthew Clarke, Danielle Ellis, Hannah Kyberd , Daniel Edwards, Brittany Phillips and Bianca Smith who were elected to represent their Tutor Groups. MacKillop House kicked off the first of the inter-house lunchtime competitions with a Trivia Competition. Participation in this activity was extremely high and final scores were extremely close. Ultimately, MacKillop lost the Trivia Trophy to a worthy Glowrey House. Our next inter-house challenge will be the running of the bulls which we have all been training for enthusiastically!!!

Ms. Marlene Jorgensen
MACKILLOP HOUSE LEADER

OFFICE HOURS OVER THE HOLIDAYS
WEST CAMPUS will be OPEN from 9am to 4pm
EAST CAMPUS will be CLOSED
Please direct all enquiries to the WEST CAMPUS on 5990 7777
The Parents and Friends Association undertakes numerous activities, including fundraising activities and the donation of such funds to various areas of College activity.

Meetings are held on a Tuesday evening, twice a term, and at most meetings a staff guest speaker comes to address the group on activities associated with their day to day life at the college, and our Principal reports on relevant College issues and activities.

NEXT MEETING

We still require a number of parents for each of our College Houses to commit to attending our meetings over the year. If you are able please contact April Hampson via the College Reception or your child/children’s House Leader.

TUESDAY 30th April

7.30 - 9.00 pm St Peter's College East Campus
*55 MacKillop Way, Cranbourne East, 3977 * Enter via Heather Grove please.

GUEST SPEAKER – ORWIN DE KRETSE - INTEGRATED CURRICULUM COACH
Learning Advisor, Yr 7 & 8 Integrated Learning, Yr 7 Math, Yr 9 English, Yr 9 History

Evening will include an East Campus Facilities Tour
Mr Orwin De Kretser is our new Integrated Curriculum Coach at St Peter's College. For the last 16 years Orwin has worked at Noble Park Secondary College and for the last 6 years he has held the position of Teaching & Learning Leading Teacher. During this time he introduced and oversaw the Integrated Curriculum which was offered as a Year Nine alternative program. The Parents and Friends meeting will be a good opportunity to introduce himself to our community and talk about the purpose of Integrated Learning, how it is being introduced into the East Campus and how the skills acquired by students should help them in all of their studies.

ENTERTAINMENT BOOKS 2013/2014
Each family will be sent home a payment form/opt out form for the 2013/14 edition.
If you wish to opt out it is important that you send back the form.
Once we have received these back, by end of term, we will be able to place an order for delivery to the College at the beginning of Term 2. This means you will be able to take advantage of all the offers for over 13 months, as you can start using it as soon as you get it.
Cost is again $65.00 with $13.00 going directly to the St Peters College Parents & Friends Fundraising Funds which are then distributed across numerous initiatives during the year directly supporting students activities.

RITCHIES COMMUNITY BENEFITS CARD.
A Reminder that 1% of your spend will be donated to St Peter’s College P&F Association. All new parents to the College will be sent the card for them to activate in the next week. Thank you for your support of this program.

ST PETER’S SCULPTURE & GARDEN FUNDRAISING PROJECT
We are again in 2013 giving families and individuals the chance to have their name as a permanent part of the landscaping of our Sculpture Garden at the West Campus. To order please see attached flyer or visit the College website in the Our College/Parents & Friends section. Order forms are available to download from our website or from the College Reception.

present
Jonathan Doyle - ‘Choicez Media’

Do you hope for success and happiness for your children?
Would you like some tips in how to shape their attitude and behaviour to enable them to make the right choices in life?

Jonathan Doyle is a gifted communicator who has a passion and particular skill for educating people to make great choices in life. He presents his material in a dynamic and cutting edge way that makes him a popular speaker in Australia and internationally.

Parents of St Peter’s College, St Agatha’s and St Therese’s Primary Schools and the parishioners of St Agatha’s Parish are invited to hear Jonathan speak about the major trends and issues in youth culture and decision making. He will provide concrete strategies for protecting, guiding and nurturing your children and grandchildren.

His presentations are critical for parents and guardians of children who own and use 1:1 mobile technology.
