Student Free Day part of day was spent on reflection at Botanic Gardens Cranbourne.
Very good turn out to Futures Evening
Interviews taking place with year 10 about subject selection
New 5 period structures for 2014
Students have worked on setting goals with learning advisors.
Trivia night for Solomon Island fund raiser 9th August $20 per term, last year it raised $10,000.

Guest Speaker In 2011 Mr. Anthony Beutelscheiss and Ms Tracy Alles completed the Cert 111 in Carbon Management course. They introducing this course into curriculum in 2012. Currently St Peters is the only school in Australia offering the course and has been nominated for a UN environmental award, in its first year there were eight students from year 10 who are completing the first year of this two year program. This year there are two classes. The course is offered at year 10 an 11. So students can complete the course in year 11 or 12, which covers the following areas of study:

- Climate Change & Greenhouse Gases
- Measuring Carbon Emissions
- Carbon Reduction Options & Emission Factors
- Carbon Action Plans
- Implementation of Environmentally Sustainable Work Practices

Board: nil
Treasurer’s Report:  No report.

Fundraising

General Business:  Presentation night is the last Thursday in November. With both East and West campus together. Some concern about communication on futures evening about where to go. Changes to curriculum due to National curriculum and changes in period structure next year. Some possibility of grants for wind powered vehicles. Ex - Students who came back to school to assist on St Peters Day was very much appreciated and they did a fabulous job.

Closing Prayer:  Tim Hogan
Meeting Closed:  8.30pm
Next Meeting:  3rd September 2013
