Guest Speaker: Damien Cardona. Mr Damien Cardona joined the East Campus of the College in 2015. Damien took us all on a very informative tour of the new Bishops Coffey Centre for Creativity, where he spends most of his teaching day with East Campus Students in Years 10 to 12. He will also speak about Art & Technology curriculum and its synergies and cross pollenisation of design and ideas with support to our students from both the Technology and Art Department staff. The tour showed us, in a very hands on way, how Damien brings to St Peter's College not only his vast experience but also his passion for the teaching of Visual Arts, Wood Technology, Electronics, & Visual Communications.

Opening Prayer: Tim Hogan lead Prayer after recent events in Nice France.

Principals' Report:

Pat Grant Shield Winter Competition between students at East & West Campus was highly contested by all, with West Campus taking our Football, Basketball and Netball inter Campus competition. Summer Competition will be held later in Term 4. East Campus Administration Centre outdoor landscaping completed, with seating for students and the installation of the Cross. St Peter's Dinner was once again this year a wonderful evening for all staff and guests in attendance. Where long serving staff were acknowledged, and the Mitch Rabot authored book - St Peter's College, 20 Year Celebration – was launched, with all staff and guests receiving a copy. ST Peter's Day celebrations were held at both the East and West Campus, starting with a Mass and then activities for the students. Thank you to the P&F and volunteers for the Sausage Sizzle and drink lunch supplied. Both the West & East Campus completed successful Central Australia & Top End trips over the June/July holidays. This term has already seen the VET Taster Day held at the West Campus for our Year 9 students from both the East & West Campus. Students could nominate classes they wanted to try over the 2 hours. In the future Year 9 Specialised Studies Programs will incorporate VET Studies as well as Outdoor Education etc.
