Information for schools

Ready Set Design

I Belong is RMIT's dynamic approach to inspiring and building tertiary engagement with secondary students.

We invite Year 11 and 12 students who are currently completing Units 3 & 4 in an art or design subject to visit RMIT's City campus and discover tools and strategies to support your preparation and transition to tertiary education.

What is Ready Set Design?

Now in its fifth year, *Ready Set Design* is a series of three workshops for VCE students where you can learn about careers and tertiary programs in Design, develop your folio, and practice your interview and presentation skills.

Workshops are held on Saturday mornings in the March, June and September school holidays. We recommend that you attend all three sessions to get the most out *Ready Set Design*.

Workshop #1: Design Bytes

Learn about careers and study options in design.

Date: Saturday 19 March

Workshop #2: Folio Bytes

A hands-on workshop exploring folio development in different areas of design.

Date: Saturday 25 June

Workshop #3: Interview Bytes

Discover what to expect in a design interview, and practice your folio presentation skills.

Date: Saturday 17 September

All workshops are held at RMIT's City campus.
