

To The Business Owner,

We are writing to request your support in this fundraiser. This is our major fundraiser of the year, and as such we would really appreciate your donation.

***Trivia and Silent Auction Night to be held at
St. Peter's College
Friday, August 3rd 2018***

Year 12 students from both the East and West Campus of St. Peter's College, Cranbourne, are participating in an Immersion Program within a small community and Catholic School in Honiara, Solomon Islands, later in 2018.

As part of their commitment to the program they have undertaken to raise much needed funds which will enable the completion and fitout of a building of a 2 story building to house their new Computer Lab, Library and replacement of their old staff room for the Bishop Epalle Catholic School in Honiara, Solomon Islands.

The students are paying for their own trip expenses and will leave the day after their final Year 12 Exams are completed, forgoing any celebrations and schoolies trips with their fellow students.

Once in Honiara, they will be billeted with a local family and will spend their days at the school helping with numerous tasks and immersing themselves in the school and local community. This time will further cement the many lessons they have learnt in their time at St. Peter's College in regards to their responsibility in relation to not only their 'Education, Faith and Service' but how they individually, or as a small group, can have a real and positive impact in the greater community, particularly in this instance, in a small developing country, such as the Solomon Islands.

***A Major focus of their fundraising activities is to host our;
Trivia and Silent Auction Night to be held in the Multi-purpose Hall
at the West Campus of St Peter's College
on Friday, August 3rd 2018***

As this is a Silent Auction any goods and services are suitable for donation, small or large, expensive and inexpensive, will all be appreciated.

Please do not hesitate to contact me if I can further clarify these fundraising initiatives or if you require help in delivery of goods to school or creation of service certificates.
