Monday 26 February, 2018

Dear Parent/Guardian,

**Schoolbox – Online Reporting**

As part of the College goal to continually promote parent partnerships in the use of BYOD in classrooms and to provide timely feedback to parents and students, the school has purchased a Learning Management System called Schoolbox.

Schoolbox is a Learning Management System that includes the ability to provide online learning resources, homework and assignments, timetables as well as electronic assessment. This will allow you as parents to see your child’s academic progress, in real time, during the year.

As part of the implementation of this software, a small pilot was rolled out in 2017.

In 2018, all students in Year 7-12 will receive feedback to parents via Continuous Online Reporting in Schoolbox.

This year, students’ assessment timetables, submission records and assessment results will be available to you online. This means that you can login to the system and receive an ongoing progress report for your child in each subject.

We invite you to use the reporting features of this software and provide us with feedback so that we can provide the best possible feedback for both students and communication of academic progress for parents.

The College has also purchased an App to allow parents to access results via their phone. Details for this are attached.

For assistance with how to log in, or to access Schoolbox, please contact Front Reception. Log in details and instructions are included with this letter.

Parents are asked to email Ms Jorgensen with any feedback to; mjorgensen@stpeters.vic.edu.au

Thank you for your efforts in taking the time to work in partnership with the College in providing the best possible education for our students.

Yours sincerely,

Ms Marlene Jorgensen

**Deputy Principal – Learning & Teaching**
Instructions on How to Access Schoolbox

Option 1 – Via the Web

2. Enter your email address or username.
3. Follow the directions in the email.

Email address is the same email as listed in Synergetic. Usernames are the same as used for Parent Teacher Interviews (PTI).

Option 2 – via Phone access to our APP

1. Search “St Peters College“
2. Select the St Peters Digistorm Education App.

User name – Enter the email that the College has in Synergetic.
Password - Enter forgot Password and an email will be sent with a Password.

Assistance to log in can be provided upon request. Parents are asked to book an after school session via the Front Office.
